In accordance with VSC Bylaw, Article XIII, Section 13 - "Any VSC Convention profit shall be shared equally between the convention hostess and the VSC." The VSC Executive Board voted to decline the one-half profit based on the solvency of the VSC treasury at this time and the challenges presented by the COVID pandemic in planning and hosting an in-person convention. The full profit of \$57.90 will be distributed between the two hosting chapters - Beta Tau and Delta Sigma.
